Director William Casey  
 The Central Intelligence Agency  
 Washington, D.C. 20505

Dear Mr. Casey:

I am writing to invite you to meet briefly with ninety outstanding high school students who have been selected to attend the 43rd Annual Junior Statesmen Summer School.

Ed Meese recently sent you a letter outlining his many years of involvement with the Junior Statesmen Summer School program.

You are cordially invited to meet with these young leaders for a 20 or 30 minute off-the-record question and answer session. We could meet with you on Friday, July 29 or on Thursday, August 11 in Room 450 of the Old E.O.B. or we could meet with you at your agency, preferably on Wednesday, August 3. If your staff can give me a call, I am sure we can arrange a mutually convenient time.

Last year, nine members of the Cabinet, as well as many other national leaders, met with the Junior Statesmen students. I know that you will be impressed with the caliber of these young leaders and the thoughtfulness of their questions.

If you are unable to join us, we would deeply appreciate the opportunity to meet with a representative of the Agency, on an off-the-record basis, in the Old E.O.B.

I hope you will be able to join us. We can be reached at our national headquarters at (415) 327-2131 after 12:00 noon, Washington time.

Sincerely,

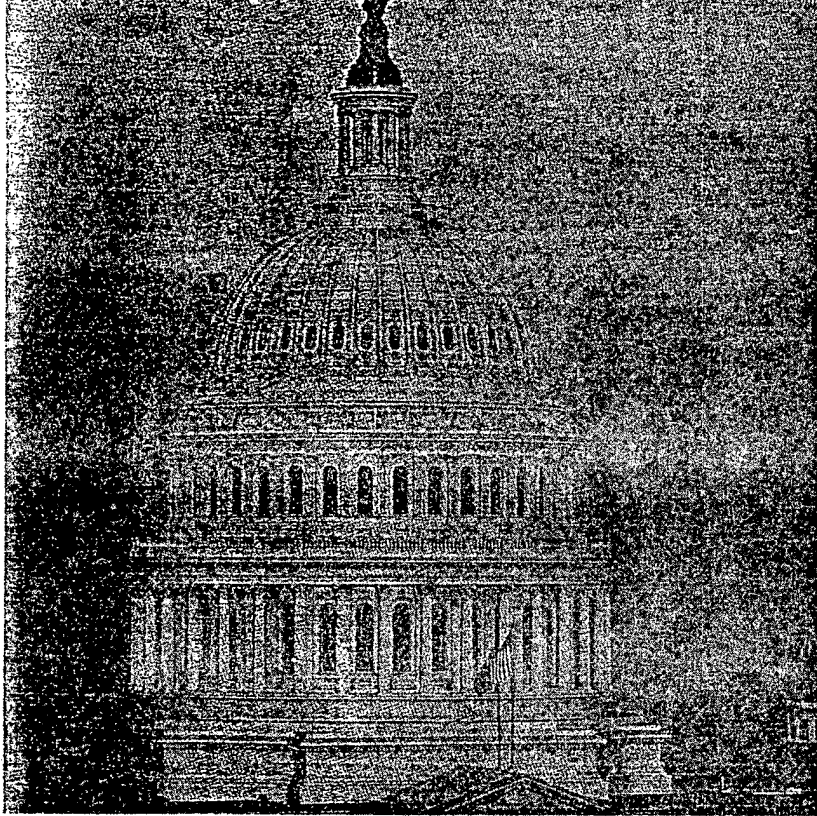

STAT
